The uniform for our after school dance on Friday should be leggings/joggers with a T-shirt and trainers that they can dance in.

We want to remind parents that we expect all students to turn up to class in the correct uniform. All ballet students should have neat and tidy hair in a bun. All other genres should have their hair tied back.

All ballet shoes must be fitted. If you are unsure please speak to your teachers.

Please use this link <https://ddi.mydancestore.co.uk> that will take you directly to the store where you will find all Dance Direction Uniforms.

Please note that baggy jogging bottoms and sweatshirts are NOT acceptable in any genre at Dance Direction. During the colder months students are allowed to wear a Dance Direction short sleeved t-shirt to classes.

Our branded dancewear will be available to order once the term has started. Please look out for the email.

Thank you in advance for your support in making sure students are dressed correctly with neat hair for all classes.
